## PROJECTS

**Portfolio |** https://github.com/moelbir02/portfolio
- A responsive layout created from scratch using HTML, CSS, and JavaScript. Functionalities include accordion-style expanding sections and text-swapping buttons on click events.

## EXPERIENCE

**Package Handler** | UPS | August 2019 to Mars 2020
- Sorted items according to its destination.
- Coach and assist newly hired in packaging, loading, unloading safety, and navigation protocols.

**Teaching Assistant** | Borough of Manhattan Community College | January 2015 June 2015
- Mentored 15+ students in algebra assignments.
- Assisted over 10 students weekly to accomplish algebra lab homework using Maplesoft software.

**Sales Associate** | Again Trading | Sept 2010 to Oct 2015
- Manage a team of 5 sales representatives to establish a positive business relationship with customers.
- Analyze territory sales performance reports and develop strategic territory business plans to support growth by 10%.
- Coordinate the replenishment and supply of sufficient product to support rate of sale, and on-hand inventory counts are accurate by performing cycle counts.
